

INTRODUCTION

Effective date. After consideration of board comment, the St. Francis X FCU Board adopted these bylaws on April 22nd, 2008.

Adoption of all or part of these bylaws. Although federal credit unions may retain any previously approved version of the bylaws, the NCUA Board encourages federal credit unions to adopt the revised bylaws because it believes they provide greater clarity and flexibility for credit unions and their officials and members. Federal credit unions may also adopt portions of the revised bylaws and retain the remainder of previously approved bylaws, but the NCUA Board cautions federal credit unions to be extremely careful. Federal credit unions must be careful because they run the risk of having inconsistent or conflicting provisions because of the various options the revised bylaws provide as well as other revisions in the text. The following bylaws are considered to be a full and complete set by this definition.

Bylaw amendments. The adoption of the FCU's bylaws requires a two-thirds vote of the board. The FCU need not submit the change for NCUA approval.

Federal credit unions continue to have the flexibility to request other bylaw amendments if the need arises. NCUA must approve any bylaw amendments; federal credit unions may no longer adopt amendments from the "Standard Bylaw Amendments" booklet because the 1999 revisions to the bylaws included sufficient flexibility to make the separate list of standard bylaw amendments superfluous. Thus, NCUA no longer differentiates between "standard" and "nonstandard" bylaw amendments.

The procedure for approval of bylaw amendments is as follows:

- The federal credit union wishing to adopt a bylaw amendment must file a request with its regional director.
- The request must include the section of the bylaws to be amended; the reason for or purpose of the amendment, including an explanation of why the amendment is desirable and what it will accomplish for the credit union; and the specific, proposed wording of the amendment.
- After review by the regional director and consultation within the agency, the regional director will advise the credit union if a proposed amendment is approved.

Federal credit unions considering an amendment may find it useful to review the section of the agency website on bylaws that has opinions issued by the Office of General Counsel about particular bylaw amendments. Even if an amendment has been previously approved, the credit union must submit a proposed amendment to

NCUA for review under the procedure listed above to ensure the amendment is identical.

The nature of the bylaws. The Federal Credit Union Act requires the NCUA Board to prepare bylaws for federal credit unions. 12 U.S.C. §1758. The bylaws address a broad range of matters concerning a credit union's organization and governance, the relationship of the credit union to its members, and the procedures and rules a credit union follows. The bylaws supplement the broad provisions of: a federal credit union's charter, which establishes the existence of a federal credit union; the Federal Credit Union Act, which establishes the powers of federal credit unions; and NCUA regulations, which implement the Federal Credit Union Act. As a legal matter, a federal credit union's bylaws must conform to and cannot be inconsistent with any provision of its charter, the Federal Credit Union Act, NCUA regulations or other laws or regulations applicable to its operations.

NCUA's long standing view is the bylaws, among other effects, function as a contract between a credit union and its members. While NCUA provides guidance and interpretations of the bylaws, generally state corporate law, to the extent it is consistent with the Federal Credit Union Act and NCUA regulations, determines disputes regarding the enforcement of bylaw provisions. Therefore, NCUA generally does not become involved in resolving internal governance disputes in federal credit unions involving bylaw disputes unless a matter presents a safety and soundness concern.

BYLAWS

Federal Credit Union, Charter #7219

(A corporation chartered under the laws of the United States)

Article I. St. Francis X FCU - Purposes

Section 1. **St. Francis X FCU.** The name of this credit union is as stated in Section 1 of the charter (approved organization certificate) of this credit union.

Section 2. **Purposes.** This credit union is a member-owned, democratically operated, not-for-profit organization managed by a volunteer board of directors, with the specified mission of meeting the credit and savings needs of consumers, especially persons of modest means. The purpose of this credit union is to promote thrift among its members by affording them an opportunity to accumulate their savings and to create for them a source of credit for provident, business or productive purposes.

Article II. Qualifications for Membership

Section 1. **Field of membership.** The field of membership of this credit union is limited to that stated in Section 5 of its charter.

Section 2. **Membership application procedures.** Applications for membership from persons eligible for membership under Section 5 of the charter must be signed by the applicant on forms approved by the board. The applicant is admitted to membership after approval of an application by a majority of the directors, a majority of the members of a duly authorized executive committee, or by a membership officer, and after subscription to at least one share of this credit union and the payment of the initial installment, and the payment of a uniform entrance fee if required by the board. If a person whose membership application is denied makes a written request, the credit union must explain the reasons for the denial in writing.

Section 3. **Maintenance of membership share required.** A member who withdraws all shareholdings or fails to comply with the time requirements for restoring his or her account balance to par value in Article III, Section 3, ceases to be a member. By resolution, the board may require persons readmitted to membership to pay another entrance fee.

Section 4. **Continuation of membership.** Once a member becomes a member that person may remain a member until the person or organization chooses to withdraw or is expelled in accordance with the Act and Article XIV of these bylaws. A member who is disruptive to credit union operations may be subject to limitations on services and access to credit union facilities.

Entrance fee – FCUs may not vary the entrance fee among different classes of members because the Act requires a uniform fee. FCUs may, however, eliminate the entrance fee for all applicants.

Article III. Shares of Members

Section 1. **Par value.** The par value of each share will be \$5.

Section 2. **Cap on shares held by one person.** The board may establish, by resolution, the maximum amount of shares that any one member may hold.

Section 3. **Time periods for payment and maintenance of membership share.** A member who fails to complete payment of one share within 180 days of admission to membership, or within 180 days from the increase in the par value of shares, or a member who reduces the share balance below the par value of one share and does not increase the balance to at least the par value of one share within 180 days of the reduction will be terminated from membership.

Section 4. **Transferability.** Shares may only be transferred from one member to another by an instrument in a form as the board may prescribe. Shares that accrue credits for unpaid dividends retain those credits when transferred.

Section 5. **Withdrawals.** Money paid in on shares or installments of shares may be withdrawn as provided in these bylaws or regulation on any day when payment on shares may be made, provided, however, that

(a) The board has the right, at any time, to require members to give up to 60 days written notice of intention to withdraw the whole or any part of the amounts paid in by them.

(b) Reserved.

(c) No member may withdraw any shareholdings below the amount of the member's primary or contingent liability to the credit union if the member is delinquent as a borrower, or if borrowers for whom the member is comaker, endorser, or guarantor are delinquent, without the written approval of the credit committee or loan officer. Coverage of overdrafts under an overdraft protection policy does not constitute delinquency for purposes of this paragraph. Shares issued in an irrevocable trust as provided in Section 6 of this article are not subject to withdrawal restrictions except as stated in the trust agreement.

(d) The share account of a deceased member (other than one held in joint tenancy with another member) may be continued until the close of the dividend period in which the administration of the deceased's estate is completed.

(e) The board will have the right, at any time, to impose a fee for excessive share withdrawals from regular share accounts. The number of withdrawals not subject to a fee and the amount of the fee will be established by board resolution and will be subject to regulations applicable to the advertising and disclosure of terms and conditions on member accounts.

Section 6. **Trusts.** Shares may be issued in a revocable or irrevocable trust, subject to the following:

When shares are issued in a revocable trust, the settlor must be a member of this credit union in his or her own right. When shares are issued in an irrevocable trust, either the settlor or the beneficiary must be a member of this credit union. The name

of the beneficiary must be stated in both a revocable and irrevocable trust. For purposes of this section, shares issued pursuant to a pension plan authorized by the rules and regulations will be treated as an irrevocable trust unless otherwise indicated in the rules and regulations.

Section 7. Joint accounts and membership requirements.

Separate account required to establish membership

Each member must purchase and maintain at least one share in a share account that names the member as the sole or primary owner. Being named as a joint owner of a joint account is insufficient to establish membership.

Installments – No limitation up to the 180 day provision provided herein.

Par value – Par value will be \$5 per member.

Reduction in share balance below par value – When a member's account balance falls below the par value, the CU will allow members a 180 day minimum time period to restore their account balance to the par value before membership is terminated. The CU may not delete this requirement or delete references to this requirement in Article II, Section 3.

Article IV. Meetings of Members

Section 1. **Annual meeting.** The annual meeting of the members must be held during the month of February, in the county in which any office of the credit union is located or within a radius of 100 miles of an office, at the time and place as the board determines and announces in the notice of the annual meeting.

Section 2. **Notice of meetings required.** At least 30 but no more than 75 days before the date of any annual meeting or at least 7 days before the date of any special meeting of the members, the secretary must give written notice to each member. Notice may be by written notice delivered in person or by mail to the member's address, or, for members who have opted to receive statements and notices electronically, by electronic mail. Notice of the annual meeting may be given by posting the notice in a conspicuous place in the office of this credit union where it may be read by the members, at least 30 days before the meeting, if the annual meeting is to be held during the same month as that of the previous annual meeting and if this credit union maintains an office that is readily accessible to members where regular business hours are maintained. Any meeting of the members, whether annual or special, may be held without prior notice, at any place or time, if all the members entitled to vote, who are not present at the meeting, waive notice in writing, before, during, or after the meeting.

Notice of any special meeting must state the purpose for which it is to be held, and no business other than that related to this purpose may be transacted at the meeting.

Section 3. **Special meetings.** Special meetings of the members may be called by the chair or the board of directors upon a majority vote, or by the supervisory committee as provided in these bylaws. The chair must call a special meeting, meaning the meeting must be held, within 30 days of the receipt of a written request of 750 members or 5% of the members as of the date of the request, whichever number is smaller.

The notice of a special meeting must be given as provided in Section 2 of this article.

Special meetings may be held at any location permitted for the annual meeting.

Section 4. **Items of business for annual meeting and rules of order for annual and special meetings.** The suggested order of business at annual meetings of members is--

- (a) Ascertainment that a quorum is present.
- (b) Reading and approval or correction of the minutes of the last meeting.
- (c) Report of directors, if there is one. For credit unions participating in the Community Development Revolving Loan Program, the directors must report on the credit union's progress on providing needed community services, if required by NCUA Regulations.
- (d) Report of the financial officer or the chief management official.
- (e) Report of the credit committee, if there is one.
- (f) Report of the supervisory committee, as required by Section 115 of the Act.
- (g) Unfinished business.
- (h) New business other than elections.
- (i) Elections, as required by Section 111 of the Act.
- (j) Adjournment.

To the extent consistent with these bylaws, all meetings of the members will be conducted according to *Robert's Rules of Order*. The order of business for the annual meeting may vary from the suggested order, provided it includes all required items and complies with the rules of procedure adopted by the credit union.

Section 5. **Quorum.** Except as otherwise provided, 15 members constitute a quorum at annual or special meetings. If no quorum is present, an adjournment may

be taken to a date at least 7 but not more than 14 days thereafter. The members present at any adjourned meeting will constitute a quorum, regardless of the number of members present. The same notice must be given for the adjourned meeting as is prescribed in Section 2 of this article for the original meeting, except that the notice must be given at least 5 days before the date of the meeting as fixed in the adjournment.

Article V. Elections

Election by electronic device (including but not limited to telephone and electronic mail) or mail ballot; nominating committee and nominations by petition

Section 1. **Nomination procedures.** At least 120 days before each annual meeting, the chair will appoint a nominating committee of three or more members. It is the duty of the nominating committee to nominate at least one member for each vacancy, including any unexpired term vacancy, for which elections are being held, and to determine that the members nominated are agreeable to the placing of their names in nomination and will accept office if elected.

The nominating committee files its nominations with the secretary of the credit union at least 90 days before the annual meeting, and the secretary notifies in writing all members eligible to vote at least 75 days before the annual meeting that nominations for vacancies may also be made by petition signed by 1% of the members with a minimum of 20 and a maximum of 500. The secretary may use electronic mail to notify members who have opted to receive notices or statements electronically.

The notice must indicate that the election will not be conducted by ballot and there will be no nominations from the floor when the number of nominees equals the number of positions to be filled. A brief statement of qualifications and biographical data in a form approved by the board of directors will be included for each nominee submitted by the nominating committee with the notice to all eligible members. Each nominee by petition must submit a similar statement of qualifications and biographical

data with the petition. The notice must state the closing date for receiving nominations by petition. In all cases, the period for receiving nominations by petition must extend at least 30 days from the date of the petition requirement and the list of nominating committee's nominees are mailed to all members. To be effective, nominations by petition must be accompanied by a signed certificate from the nominee or nominees stating that they are agreeable to nomination and will serve if elected to office. Nominations by petition must be filed with the secretary of the credit union at least 40 days before the annual meeting and the secretary will ensure that nominations by petition, along with those of the nominating committee, are posted in a conspicuous place in each credit union office at least 35 days before the annual meeting.

Section 2. **Election procedures.** All elections are determined by plurality vote. All elections will be by electronic device or mail ballot, subject to the following conditions:

(a) The board of directors will appoint the election tellers;

(b) If sufficient nominations are made by the nominating committee or by petition to provide more nominees than positions to be filled, the secretary, at least 30 days before the annual meeting, will cause either a printed ballot or notice of ballot to be mailed to all members eligible to vote. Electronic mail may be used to provide the notice of ballot to members who have opted to receive notices or statements electronically;

(c) If the credit union is conducting its elections electronically, the secretary will cause the following materials to be transmitted to each eligible voter and the following procedures will be followed:

(1) One notice of balloting stating the names of the candidates for the board of directors and the candidates for other separately identified offices or committees. The name of each candidate must be followed by a brief statement of qualifications and biographical data in a form approved by the board of directors. Electronic mail may be used to provide the notice of ballot to members who have opted to receive

notices or statements electronically.

(2) One mail ballot that conforms to Section 2(d) of this article and one instruction sheet stating specific instructions for the electronic election procedure, including how to access and use the system, and the period of time in which votes will be taken. The instruction will state that members without the requisite electronic device necessary to vote on the system may vote by submitting the enclosed mail ballot and specify the date the mail ballot must be received by the credit union. For members who have opted to receive notices or statements electronically, the mail ballot is not required and electronic mail may be used to provide the instructions for the electronic election procedure.

(3) It is the duty of the tellers of election to verify, or cause to be verified the name of the voter and the credit union account number as they are registered in the electronic balloting system. It is the duty of the teller to test the integrity of the balloting system at regular intervals during the election period.

(4) Ballots must be received no later than midnight, 5 calendar days before the annual meeting.

(5) The vote will be tallied by the tellers. The result must be verified at the annual meeting and the chair will make the result of the vote public at the annual meeting.

(6) In the event of malfunction of the electronic balloting system, the board of directors may in its discretion order elections be held by mail ballot only. The mail ballots must conform to Section 2(d) of this article and must be mailed once more to all eligible members 30 days before the annual meeting. The board may make reasonable adjustments to the voting time frames above, or postpone the annual meeting when necessary, to complete the elections before the annual meeting.

(d) If the credit union is conducting its election by mail ballot, the secretary will cause the following materials to be mailed to each member and the following procedures will be followed:

(1) One ballot, clearly identified as the ballot on which the names of the candidates for the board of directors and the candidates for other separately identified offices or committees are printed in random order. The name of each candidate will be followed by a brief statement of qualifications and biographical data in a form approved by the board of directors;

(2) One ballot envelope clearly marked with instructions that the completed ballot must be placed in that envelope and sealed;

(3) One identification form to be completed so as to include the name, address, signature and credit union account number of the voter;

(4) One mailing envelope in which the voter, following instructions provided with the mailing envelope, must insert the sealed ballot envelope and the identification form, and which must have postage prepaid and be preaddressed for return to the tellers;

(5) When properly designed with features that preserve the secrecy of the ballot, one form can be printed that represents a combined ballot and identification form, and postage prepaid and preaddressed return envelope;

(6) It is the duty of the tellers to verify, or cause to be verified, the name and credit union account number of the voter as appearing on the identification form; to place the verified identification form and the sealed ballot envelope in a place of safekeeping pending the count of the vote; in the case of a questionable or challenged identification form, to retain the identification form and sealed ballot envelope together until the verification or challenge has been resolved;

(7) Ballots mailed to the tellers must be received by the tellers no later than midnight 5 days before the date of the annual meeting;

(8) The vote will be tallied by the tellers. The result will be verified at the annual meeting and the chair will make the result of the vote public at the annual meeting.

Section 3. **Order of nominations.** Nominations may be in the following order:

(a) Nominations for directors.

(b) Nominations for credit committee members, if applicable. Elections may be by separate ballots following the same order as the above nominations or, if preferred, may be by one ballot for all offices.

Section 4. **Proxy and agent voting.** Members cannot vote by proxy. A member other than a natural person may vote through an agent designated in writing for the purpose.

Section 5. **One vote per member.** Irrespective of the number of shares, no member has more than one vote.

Section 6. **Submission of information regarding credit union officials to NCUA.**

The names and addresses of members of the board, board officers, executive committee, and members of the credit committee, if applicable, and supervisory committees must be forwarded to the Administration in accordance with the Act and regulations in the manner as may be required by the Administration.

Section 7. **Minimum age requirement.** Members must be at least 18 years of age by the date of the meeting (or for appointed offices, the date of appointment) in order to vote at meetings of the members, hold elective or appointive office, sign nominating petitions, or sign petitions requesting special meetings.

Section 8. **Absentee ballots.** The board of directors may authorize the use of absentee ballots in conjunction with the other procedures authorized in this article, subject to the following conditions:

(a) The board of directors will appoint the election tellers;

(b) If sufficient nominations are made by the nominating committee or by petition to provide more than one nominee for any position to be filled, the secretary, at least 30

days before the annual meeting, will cause printed ballots to be mailed to all members of the credit union who are eligible to vote and who have submitted a written or electronic request for an absentee ballot;

(c) The secretary will cause the following materials to be mailed to each eligible voter who has submitted a written or electronic request for an absentee ballot:

(1) One ballot, clearly identified as the ballot on which the names of the candidates for the board of directors and the candidates for other separately identified offices or committees are printed in random order. The name of each candidate will be followed by a brief statement of qualifications and biographical data in a form approved by the board of directors;

(2) One ballot envelope clearly marked with instructions that the completed ballot must be placed in that envelope and sealed;

(3) One identification form to be completed so as to include the name, address, signature and credit union account number of the voter;

(4) One mailing envelope in which the voter, pursuant to instructions provided with the envelope, must insert the sealed ballot envelope and the identification form, and which must have postage prepaid and be preaddressed for return to the tellers;

(5) When properly designed with features that preserve the secrecy of the ballot, one form can be printed that represents a combined ballot and identification form, and postage prepaid and preaddressed return envelope;

(d) It is the duty of the election tellers to verify, or cause to be verified, the name and credit union account number of the voter as appearing on the identification form; to place the verified identification and the sealed ballot envelope in a place of safekeeping pending the count of the vote; in the case of a questionable or challenged identification form, to retain the identification form and the sealed ballot envelope together until the verification or challenge has been resolved; and in the event that more than one voting procedure is used, to verify that no eligible voter has

voted more than one time;

(e) Ballots mailed to the tellers must be received by the tellers no later than midnight 5 days before the date of the annual meeting;

(f) Absentee ballots will be deposited in the ballot boxes to be taken to the annual meeting or included in a precount in accordance with procedures specified in Article V, Section 2; and

(g) If a member has chosen to receive statements and notices electronically, the credit union may provide notices required in this section by email and provide instructions for voting via electronic means instead of mail ballots.

Eligibility Requirements: The Act and the FCU Bylaws contain the only eligibility requirements for membership on an FCU's board of directors, which are as follows:

- a) the individual must be a member of the FCU before distribution of ballots;
- b) the individual cannot have been convicted of a crime involving dishonesty or breach of trust unless the NCUA Board has waived the prohibition for the conviction; and
- c) the individual meets the minimum age requirement established under Article V, Section 7 of the FCU Bylaws.

Anyone meeting the three eligibility requirements may run for a seat on the board of directors if properly nominated. It is the nominating committee's duty to ascertain that all nominated candidates, including those nominated by petition, meet the eligibility requirements.

Nomination Criteria for Nominating Committee: The FCU Act and the FCU Bylaws do not prohibit a board of directors from establishing reasonable criteria, in addition to the eligibility requirements, for a nominating committee to follow in making its nominations, such as financial experience, years of membership, or conflict of interest provisions. The board's nomination criteria, however, applies only to individuals nominated by the nominating committee; they cannot be imposed on

individuals who meet the eligibility requirements and are properly nominated from the floor or by petition.

Candidates' Names on Ballots: When producing an election ballot, the FCU's secretary may order the names of the candidates on the ballot using any method for selection provided it is random and used consistently from year to year so as to avoid manipulation or favoritism.

Secret Ballots: An FCU must establish an election process that assures members their votes remain confidential and secret from all interested parties. If the election process does not separate the member's identity from the ballot, FCUs should use a third-party teller that has sole control over completed ballots. If the ballots are designed so that members' identities remain secret and are not disclosed on the ballot, FCUs may use election tellers from the FCU. In any case, FCU employees, officials, and members must not have access to ballots identifying members or to information that links members' votes to their identities.

Plurality Voting: At least one nominee must be nominated for each vacant seat. When there are more nominees than seats open for election, the nominees who receive the greatest number of votes are elected to the vacant seats.

Minimum Age Requirement: The age the board selects may not be greater than the age of majority under the state law applicable to the credit union.

Article VI. Board of Directors

Section 1. **Number of members.** The board consists of 7 members, all of whom must be members of this credit union. The number of directors may be changed to an odd number not fewer than 5 or more than 15 by resolution of the board. No reduction in the number of directors may be made unless corresponding vacancies exist as a result of deaths, resignations, expiration of terms of office, or other actions provided by these bylaws. A copy of the resolution of the board covering any increase or decrease in the number of directors must be filed with the official copy of the bylaws of this credit union.

Section 2. **Composition of board.** No directors or committee members may be a paid employee of the credit union. No immediate family members of a director or committee member may be a paid employee of the credit union. In no case may employees, family members, or employees and family members constitute a majority of the board. The board may appoint a management official who may not be a member of the board and one or more assistant management officials who may not be a member of the board. If the management official or assistant management official is permitted to serve on the board, he or she may not serve as the chair.

Section 3. **Terms of office.** Regular terms of office for directors must be for periods of 3 years. All regular terms must be for the same number of years and until the election and qualification of successors. Regular terms must be fixed at the first meeting, or upon any increase or decrease in the number of directors, so that approximately an equal number of regular terms must expire at each annual meeting.

Section 4. **Vacancies.** Any vacancy on the board or supervisory committee will be filled as soon as possible by vote of a majority of the directors then holding office. Directors appointed to fill a vacancy will hold office only until the next annual meeting, at which any unexpired terms will be filled by vote of the members, and until the qualification of their successors. Members of the supervisory committee appointed to fill a vacancy will hold office until the first regular meeting of the board following the

next annual meeting of members, at which the regular term expires, and until the appointment and qualification of their successors.

Section 5. **Regular and special meetings.** A regular meeting of the board must be held each month at the time and place fixed by resolution of the board. One regular meeting each calendar year must be conducted in person. If a quorum is present in person for the annual in person meeting, the remaining board members may participate using audio or video teleconference methods. The other regular meetings may be conducted using audio or video teleconference methods. The chair, or in the chair's absence the ranking vice chair, may call a special meeting of the board at any time and must do so upon written request of a majority of the directors then holding office. Unless the board prescribes otherwise, the chair, or in the chair's absence the ranking vice chair, will fix the time and place of special meetings. Notice of all meetings will be given in the manner the board may from time to time by resolution prescribe. Special meetings may be conducted using audio or video teleconference methods.

Section 6. **Board responsibilities.** The board has the general direction and control of the affairs of this credit union and is responsible for performing all the duties customarily performed by boards of directors. This includes but is not limited to the following:

(a) Directing the affairs of the credit union in accordance with the Act, these bylaws, the rules and regulations and sound business practices.

(e) Performing additional acts and exercising additional powers as may be required or authorized by applicable law.

No Credit Committee.

(f) Reviewing denied loan applications of members who file written requests for review.

(g) Appointing one or more loan officers and delegating to those officers the power to approve or disapprove loans, lines of credit or advances from lines of credit.

(h) In its discretion, appointing a loan review committee to review loan denials and delegating to the committee the power to overturn denials of loan applications. The committee will function as a mid-level appeal committee for the board. Any denial of a loan by the committee must be reviewed by the board upon written request of the member. The committee must consist of three members and the regular term of office of the committee member will be for two years. Not more than one member of the committee may be appointed as a loan officer.

When any board officer, membership officer, executive committee member or investment committee member is absent, disqualified, or otherwise unable to perform the duties of the office, the board may by resolution designate another member of this credit union to fill the position temporarily. The board may also, by resolution, designate another member or members of this credit union to act on the credit committee when necessary in order to obtain a quorum.

Section 9. **Suspension of supervisory committee members.** Any member of the supervisory committee may be suspended by a majority vote of the board of directors. The members of this credit union will decide, at a special meeting held not

fewer than 7 nor more than 14 days after any suspension, whether the suspended committee member will be removed from or restored to the supervisory committee.

Article VII. Board Officers, Management Officials and Executive Committee

Section 1. **Board officers.** The board officers of this credit union are comprised of a chair, one or more vice chairs, a financial officer, and a secretary, all of whom are elected by the board and from their number. The board determines the title and rank of each board officer and records them in the addendum to this article. One board officer, may be compensated for services as determined by the board. If more than one vice chair is elected, the board determines their rank as first vice chair, second vice chair, and so on. The offices of the financial officer and secretary may be held by the same person. If a management official or assistant management official is permitted to serve on the board, he or she may not serve as the chair. Unless removed as provided in these bylaws, the board officers elected at the first meeting of the board hold office until the first meeting of the board following the first annual meeting of the members and until the election and qualification of their respective successors.

Section 2. **Election and term of office.** Board officers elected at the meeting of the board next following the annual meeting of the members, which must be held not later than 7 days after the annual meeting, hold office for a term of 1 year and until the election and qualification of their respective successors: provided, however, that any person elected to fill a vacancy caused by the death, resignation, or removal of an officer is elected by the board to serve only for the unexpired term of that officer and until a successor is duly elected and qualified.

Section 3. **Duties of Chair.** The chair presides at all meetings of the members and at all meetings of the board, unless disqualified through suspension by the supervisory committee. The chair also performs other duties customarily assigned to the office of the chair or duties he or she is directed to perform by resolution of the board not inconsistent with the Act and regulations and these bylaws.

Section 4. **Approval required.** The board must approve all individuals who are authorized to sign all notes of this credit union and all checks, drafts and other orders

for disbursement of credit union funds.

Section 5. **Vice chair.** The ranking vice chair has and may exercise all the powers, authority, and duties of the chair during the chair's absence or inability to act.

Section 6. **Duties of financial officer.** Subject to limitations, controls and delegations the board may impose, the financial officer will:

(a) Have custody of all funds, securities, valuable papers and other assets of this credit union.

(b) Provide and maintain full and complete records of all the assets and liabilities of this credit union in accordance with forms and procedures prescribed in regulations and other guidance approved by the Administration, including, for small credit unions, the Accounting Manual for Federal Credit Unions.

(c) Within 20 days after the close of each month, ensure that a financial statement showing the condition of this credit union as of the end of the month, including a summary of delinquent loans is prepared and submitted to the board and post a copy of the statement in a conspicuous place in the office of the credit union where it will remain until replaced by the financial statement for the next succeeding month.

(d) Ensure that financial and other reports the Administration may require are prepared and sent.

(e) Within standards and limitations prescribed by the board, employ tellers, clerks, bookkeepers, and other office employees, and have the power to remove these employees.

(f) Perform other duties customarily assigned to the office of the financial officer or duties he or she is directed to perform by resolution of the board not inconsistent with the Act, regulations and these bylaws.

The board may employ one or more assistant financial officers, none of whom may

also hold office as chair or vice chair, and may authorize them, under the direction of the financial officer, to perform any of the duties devolving on the financial officer, including the signing of checks. When designated by the board, any assistant financial officer may also act as financial officer during the financial officer's temporary absence or temporary inability to act.

Section 7. Duties of management official and assistant management official.

The board may appoint a management official who is under the direction and control of the board or of the financial officer as determined by the board. The management official may be assigned any or all of the responsibilities of the financial officer described in Section 6 of this article. The board will determine the title and rank of each management official and record them in the addendum to this article. The board may employ one or more assistant management officials. The board may authorize assistant management officials under the direction of the management official, to perform any of the duties devolving on the management official, including the signing of checks. When designated by the board, any assistant management official may also act as management official during the management official's temporary absence or temporary inability to act.

Section 8. Board powers regarding employees. The board employs, fixes the compensation, and prescribes the duties of employees as necessary, and has the power to remove employees, unless it has delegated these powers to the financial officer or management official. Neither the board, the financial officer, nor the management official has the power or duty to employ, prescribe the duties of, or remove necessary clerical and auditing assistance employed or used by the supervisory committee and, if there is a credit committee, the power or duty to employ, prescribe the duties of, or remove any loan officer appointed by the credit committee.

Section 9. Duties of secretary. The secretary prepares and maintains full and correct records of all meetings of the members and of the board, which records will be prepared within 7 days after the respective meetings. The secretary must

promptly inform the Administration in writing of any change in the address of the office of this credit union or the location of its principal records. The secretary will give or cause to be given, in the manner prescribed in these bylaws, proper notice of all meetings of the members, and perform other duties he or she may be directed to perform by resolution of the board not inconsistent with the Act, regulations and these bylaws. The board may employ one or more assistant secretaries, none of whom may also hold office as chair, vice chair, or financial officer, and may authorize them under direction of the secretary to perform any of the duties assigned to the secretary.

Section 10. **Executive committee.** As authorized by the Act, the board may appoint an executive committee of not fewer than three directors to serve at its pleasure, to act for it with respect to the board's specifically delegated functions. When making delegations to the executive committee, the board must be specific with regard to the committee's authority and limitations related to the particular delegation. The board may also authorize any of the following to approve membership applications under conditions the board and these bylaws may prescribe: an executive committee; a membership officer(s) appointed by the board from the membership, other than a board member paid as an officer; the financial officer; any assistant to the paid officer of the board or to the financial officer; or any loan officer. No executive committee member or membership officer may be compensated as such.

Section 11. **Investment committee.** The board may appoint an investment committee composed of not less than two, to serve at its pleasure to have charge of making investments under rules and procedures established by the board. No member of the investment committee may be compensated as such.

Addendum: The board must list the positions of the board officers and management officials of this credit union. They are: (See annual report of officials to NCUA).

Article VIII. Loan Officers (No Credit Committee)

Section 1. **Records of loan officer.** Each loan officer must maintain a record of each approved or not approved transaction within 7 days of the filing of the application or request, and that record becomes a part of the records of the credit union.

Section 2. **Duties of loan officer.** For each loan or line of credit, the loan officer must inquire into the character and financial condition of the applicant and the applicant's sureties, if any, to ascertain their ability to repay fully and promptly the obligations incurred by them and to determine whether the loan or line of credit will be of probable benefit to the borrower. The loan officers should endeavor diligently to assist applicants in solving their financial problems.

Section 3. **Unapproved loans prohibited.** No loan or line of credit may be made unless approved by a loan officer in accordance with applicable law and regulations.

Section 4. **Lending procedures.** Subject to the limits imposed by law and regulations, these bylaws, and the general policies of the board, a loan officer determines the security if any required for each application and the terms of repayment. The security furnished must be adequate in quality and character and consistent with sound lending practices. When funds are not available to make all the loans and lines of credit for which there are applications, preference should be given, in all cases, to the applications for lesser amounts if the need and credit factors are nearly equal.

Article IX. Supervisory Committee

Section 1. **Appointment and membership.** The supervisory committee is appointed by the board from among the members of this credit union, one of whom may be a director other than the financial officer or the compensated officer of the board. The board has set the number of members on the committee to 3, which may not be fewer than 3 nor more than 5. No member of the credit committee, if applicable, or any employee of this credit union may be appointed to the committee. Regular terms of committee members are for periods of 1 year as the board determines (terms may be up to 3 years): provided, however, that all regular terms are for the same number of years and until the appointment and qualification of successors. The regular terms are fixed at the beginning, or upon any increase or decrease in the number of committee members, so that approximately an equal number of regular terms expires at each annual meeting.

Section 2. **Officers of supervisory committee.** The supervisory committee members choose from among their number a chair and a secretary. The secretary of the supervisory committee prepares, maintains, and has custody of full and correct records of all actions taken by it. The offices of chair and secretary may be held by the same person.

Section 3. **Duties of supervisory committee.** The supervisory committee makes, or causes to be made, the audits, and prepares and submits the written reports required by the Act and regulations. The committee may employ and use clerical and auditing assistance required to carry out its responsibilities prescribed by this article, and may request the board to provide compensation for this assistance. It will prepare and forward to the Administration required reports.

Section 4. **Verification of accounts.** The supervisory committee will cause the verification of the accounts of members with the records of the financial officer from time to time and not less frequently than as required by the Act and regulations. The committee must maintain a record of this verification.

Section 5. **Powers of supervisory committee – removal of directors and credit committee members.** By unanimous vote, the supervisory committee may suspend until the next meeting of the members any director, board officer, or member of the credit committee. In the event of any suspension, the supervisory committee must call a special meeting of the members to act on the suspension, which meeting must be held not fewer than 7 nor more than 14 days after the suspension. The chair of the committee acts as chair of the meeting unless the members select another person to act as chair.

Section 6. **Powers of supervisory committee -- special meetings.** By the affirmative vote of a majority of its members, the supervisory committee may call a special meeting of the members to consider any violation of the provisions of the Act, the regulations, or of the charter or the bylaws of this credit union, or to consider any practice of this credit union which the committee deems to be unsafe or unauthorized.

Article X. Organization Meeting

Section 1. **Initial meeting.** When application is made for a federal credit union charter, the subscribers to the organization certificate must meet for the purpose of electing a board of directors and a credit committee, if applicable. Failure to commence operations within 60 days following receipt of the approved organization certificate is cause for revocation of the charter unless a request for an extension of time has been submitted to and approved by the Regional Director.

Section 2. **Election of directors and credit committee.** The subscribers elect a chair and a secretary for the meeting. The subscribers then elect from their number, or from those eligible to become members of this credit union, a board of directors and a credit committee, if applicable, all to hold office until the first annual meeting of the members and until the election and qualification of their respective successors. If not already a member, every person elected under this section or appointed under Section 3 of this article, must qualify within 30 days by becoming a member. If any person elected as a director or committee member or appointed as a supervisory committee member does not qualify as a member within 30 days of election or appointment, the office will automatically become vacant and be filled by the board.

Section 3. **Election of board officers.** Promptly following the elections held under the provisions of Section 2 of this article, the board must meet and elect the board officers who will hold office until the first meeting of the board of directors following the first annual meeting of the members and until the election and qualification of their respective successors. The board also appoints a supervisory committee at this meeting as provided in Article IX, Section 1, of these bylaws and a credit committee, if applicable. The members so appointed hold office until the first regular meeting of the board following the first annual meeting of the members and until the appointment and qualification of their respective successors.

Article XI. Loans and Lines of Credit to Members

Section 1. **Loan purposes.** Loans may only be made to members and for provident, business or productive purposes in accordance with applicable law and regulations.

Section 2. **Delinquency.** Any member whose loan is delinquent may be required to pay a late charge as determined by the board of directors.

Article XII. Dividends

Section 1. **Power of board to declare dividends.** The board establishes dividend periods and declares dividends as permitted by the Act and applicable regulations.

Article XIII. RESERVED

Article XIV. Expulsion and Withdrawal

Section 1. **Expulsion procedure; expulsion or withdrawal does not affect members' liability or shares.** A member may be expelled by a two-thirds vote of the members present at special meeting called for that purpose, but only after the member has been given the opportunity to be heard. A member also may be expelled under a nonparticipation policy adopted by the board of directors and provided to each member in accordance with the Act. Expulsion or withdrawal will not operate to relieve a member of any liability to this credit union. All amounts paid in on shares by expelled or withdrawing members, before their expulsion or withdrawal, will be paid to them in the order of their withdrawal or expulsion, but only as funds become available and only after deducting any amounts due to this credit union.

Article XV. Minors

Section 1. **Minors permitted to own shares.** Shares may be issued in the name of a minor. State law governs the rights of minors to transact business with this credit union.

Article XVI. General

Section 1. **Compliance with law and regulation.** All power, authority, duties, and functions of the members, directors, officers, and employees of this credit union, pursuant to the provisions of these bylaws, must be exercised in strict conformity with the provisions of applicable law and regulations, and of the charter and the bylaws of this credit union.

Section 2. **Confidentiality.** The officers, directors, members of committees and employees of this credit union must hold in confidence all transactions of this credit union with its members and all information respecting their personal affairs, except when permitted by state or federal law.

Section 3. **Removal of directors and committee members.** Notwithstanding any other provisions in these bylaws, any director or committee member of this credit union may be removed from office by the affirmative vote of a majority of the members present at a special meeting called for the purpose, but only after an opportunity has been given to be heard.

Section 4. **Conflicts of interest prohibited.** No director, committee member, officer, agent, or employee of this credit union may participate in any manner, directly or indirectly, in the deliberation upon or the determination of any question affecting his or her pecuniary or personal interest or the pecuniary interest of any corporation, partnership, or association (other than this credit union) in which he or she is directly or indirectly interested. In the event of the disqualification of any director respecting any matter presented to the board for deliberation or determination, that director must withdraw from the deliberation or determination; and if the remaining qualified directors present at the meeting plus the disqualified director or directors constitute a quorum, the remaining qualified directors may exercise with respect to this matter, by majority vote, all the powers of the board. In the event of the disqualification of any member of the credit committee, if applicable, or the supervisory committee, that committee member must withdraw from the deliberation or determination.

Section 5. **Records.** Copies of the organization certificate of this credit union, its bylaws and any amendments to the bylaws, and any special authorizations by the Administration must be preserved in a place of safekeeping. Copies of the organization certificate and field of membership amendments should be attached as an appendix to these bylaws. Returns of nominations and elections and proceedings of all regular and special meetings of the members and directors must be recorded in the minute books of this credit union. The minutes of the meetings of the members, the board, and the committees must be signed by their respective chairmen or presiding officers and by the persons who serve as secretaries of those meetings.

Section 6. **Availability of credit union records.** All books of account and other records of this credit union must be available at all times to the directors and committee members of this credit union provided they have a proper purpose for obtaining the records. The charter and bylaws of this credit union must be made available for inspection by any member and, if the member requests a copy, it will be provided for a reasonable fee.

Section 7. **Member contact information.** Members must keep the credit union informed of their current address.

Section 8. **Indemnification.** (a) The credit union may elect to indemnify to the extent authorized by law of the state of Michigan:

The following individuals from any liability asserted against them and expenses reasonably incurred by them in connection with judicial or administrative proceedings to which they are or may become parties by reason of the performance of their official duties (check as appropriate).

☒ current officials

☒ former officials

☒ current employees

[x] former employees

(b) The credit union may purchase and maintain insurance on behalf of the individuals indicated in (a) above against any liability asserted against them and expenses reasonably incurred by them in their official capacities and arising out of the performance of their official duties to the extent such insurance is permitted by the applicable state law or the Model Business Corporation Act.

(c) The term "official" in this bylaw means a person who is a member of the board of directors, credit committee, supervisory committee, other volunteer committee (including elected or appointed loan officers or membership officers), established by the board of directors.

Article XVII. Amendments of Bylaws and Charter

Section 1. **Amendment procedures.** Amendments of these bylaws may be adopted and amendments of the charter requested by the affirmative vote of two-thirds of the authorized number of members of the board at any duly held meeting of the board if the members of the board have been given prior written notice of the meeting and the notice has contained a copy of the proposed amendment or amendments. No amendment of these bylaws or of the charter may become effective, however, until approved in writing by the NCUA Board.
